Corporate Teambuilding :: Camping :: Organization Development :: Leadership Programs :: Sports & fun

our style

Our teambuilding programs are highly interactive and are regularly described as, "The best team-building event I have ever been to!" Many of our sessions can be combined to create a more varied or longer teambuilding experience.

Our team building program, considers all the three levels of teambuilding which are:

Level 1 Fun, bonding team experience

Level 2 Engaging program in which participants learn how to create a more positive, cohesive, and productive team environment

Level 3. Groups discuss team dynamics and address specific challenges with personal and team action planning

2. CAMPING

POA offers indoor and outdoor camping.

Camping helps people escape the stress of urban life. It provides physical benefits when it involves hiking to, from, and around a campsite. It instills confidence in youngsters and offers older campers opportunities to challenge themselves in unfamiliar surroundings.

Since the inception of Philos Outdoor Adventure, we have facilitated several leadership outdoor training camps for various youth groups and learning institutions.

3. FAMILY FUN DAY

POA Fun Day Program covers a large number of different events including Family fun days and staff incentive days. Staff loyalty, a motivated work force, company spirit and improved productivity - "just some of the benefits of a fun day".

Fun days provide vast benefits at modest cost per person with large numbers, by rewarding staff and sometimes their families for their part in the success of your company.
